

GENERAL INSTRUCTIONS

WHO IS ELIGIBLE: The following IOWA RESIDENTS are eligible to file a claim for property tax credit **if total household income is less than \$18,876 and one of the following applies:**

- 65 years of age or older by December 31, 2006.
- Totally disabled and 18 years of age or older by December 31, 2006.

NOTE: A claim for property tax credit may be filed on behalf of a deceased person, by the person's spouse, attorney, guardian, or administrator.

If two or more persons occupying a home qualify for a credit, each person may file a claim based on each person's income and each person's share of their property tax due. As a general rule, a husband and wife may file only one claim and must combine their incomes.

Because of limited funding and the increased number of claims filed, the credit percentage on line M is lower for 2007 than it was in previous years. Therefore, the total amount of your claim on line P may be less than you have received in the past.

Mobile/Manufactured Homes: A claim for property tax credit may be filed if your mobile or manufactured home was assessed as real estate. If your mobile or manufactured home was not assessed as real estate, you may claim a credit on the property taxes due on the land where the home is located, if the land is owned by you.

If your home is subject to the annual tax based on square footage, you may be eligible for a reduced square footage tax. Your county treasurer has the details on the Mobile/Manufactured Home Reduced Tax Rate Program.

LINE-BY-LINE INSTRUCTIONS

Lines 1 through 7 must be answered completely and correctly.

Line 1: Mark "Yes" if you filed a Property Tax Credit Claim last year, mark "No" if you did not.

Line 2a: Mark "Yes" if you are 65 or older.

Line 2b: Mark "Yes" if you are 65 or older or totally disabled and 18 years of age or older. "Totally disabled" means the inability to engage in any substantial gainful employment by reason of any medically determinable physical or mental impairment which can be expected to result in death or which has lasted or is reasonably expected to last for a continuous period of not less than 12 months. Current proof of disability **must be attached** to your claim. This must be (1) a written statement from your doctor noting the beginning date of disability and if the disability is permanent or temporary, or (2) a copy of the current Social Security Administration document stating the date the disability began, or (3) a current statement from the Veteran's Administration that in 2006 you were receiving a non-service connected disability benefit due to 100 percent disability. Claims without proper documentation will be denied. Proof of disability is not required if, as of December 31, 2006, you were 65 years of age or older.

Line 3: Mark "Yes" if you are an Iowa resident. If you are not, you are **not** eligible and must mark "No."

Line 4: Mark "Yes" if you are a resident of a nursing home or care facility. If you are living in a nursing home or care facility, you are eligible for the property tax credit on your homestead if it is not being rented to someone else. If it is being rented, you are not eligible to file a property tax credit claim, but you may be able to file a rent reimbursement claim based upon the rent payment you made to the nursing home.

Line 5a: Mark "Yes" if there is more than one owner of your homestead and go to line 5b. If not, mark "No."

**For Assistance:
contact your county treasurer**

Line 5b: For a homestead that has more than one owner, prorate the property tax proportionately to the number of owners who live in the homestead.

Owners who live in the homestead may file a claim on their portion. Enter the prorated gross property tax on line J or if applicable, the prorated property tax base on line L. Example: There are three owners of a home, but only two reside there. The gross property taxes equal \$1,800. The prorated amount to be entered on line J is \$1,200, because $\$1,800 \times 2/3 = \$1,200$. Each person may file a claim using their share of the \$1,200. Prorate the Homestead Credit proportionately.

Line 6: Mark "Yes" if part of your home was rented or used for business purposes during 2006. If you marked "Yes," you are entitled to a credit of property tax due on only that portion of the home utilized as the dwelling place by yourself and spouse.

The percentage of property tax that is allowable for a credit is calculated by determining the square footage of that portion of the home utilized as the personal dwelling by yourself and spouse in proportion to the square footage of the entire home. Enter this percentage in the space provided. Example: personal square footage used = 750, total square footage = 1000. The percentage = 75%. This percentage is to be used in computing the amount to enter on Line J. This computation will adjust the taxes on the land in the homestead in the same proportion.

Line 7: Mark "Yes" if part of the land in your homestead is rented or rented on shares; complete "Schedule For Rented Homestead Tracts," Side 2, lines A through I.
